

JFP

Rivertowne Brewing
Pittsburgh, PA

Style: Robust Porter
ABV: 6.8 IBU: 40

If you ask the brewers at Rivertowne Brewing, they'll tell you JFP is 'just a porter.' But the judges at the 2017 Great American Beer Festival felt a bit stronger towards this brew, awarding it with a Bronze Medal in the Robust Porter category that featured 97 entries. It pours dark black with a tan head. This medium-to-full-body offering delivers exceptional roasty characters and hints of chocolate and raisin. JFP has gone through years of tweaking to reach its optimum state. Now, the question remains: What does JFP stand for?
