Hops: Bravo, Columbus, Chinook, Meridian, Equinox

ABV: 6.7%

IBU: 80

Killer Diller is an American IPA and serves as the staple offering in Spoonwood Brewing's constantly evolving draft lineup. This beer pours a copper color and forms a bright white head with evident floral and citrus fruit notes wafting from the glass. Killer Diller boasts a light, sweet flavor profile with subdued bitterness and relatively full mouthfeel. Spoonwood's flagship IPA's name is derived from a John Lennon contribution to the suite on side two of Abbey Road.
