Williamsburg, VA

Style: Oatmeal Stout  
ABV: 6.2% IBU: 26  
Hops: Northern Brewer

Elbow Patches pours a jet black color with a tan head at the finish, leaving minimal lacing on the glass. Aromas of coffee and chocolate hit you immediately at first waft while the maiden sip delivers a smooth, velvet-like mouthfeel with very mild bitterness and chock full of roasted flavors, including the aforementioned chocolate and coffee. Elbow Patches portrays the deceptive appearance of a heavy stout, but flips the script with its medium body. This beer, available year-round in Virginia Beer Company's portfolio both on draft and in cans, features mass appeal for new and experienced craft beer drinkers alike.
